

**REMARKS**

Claims 2-11 are all of the claims presently pending in this application after entry of the foregoing amendments. Claim 1 is hereby cancelled, although Applicants reserve the right to file a divisional application. Claims 2-11 were examined on the merits. Claims 2-5 and 8-11 are rejected on prior art grounds, but claims 6 and 7 are indicated as being allowable if rewritten in independent form.

Figs. 12, 13(a) and 13(b) are hereby labelled as prior art. The Examiner is respectfully requested to acknowledge receipt and indicate approval of the corrected drawings submitted herewith.

Claims 2-5 and 8-11 stand rejected under 35 U.S.C. §§102(a) and 102(e) as being anticipated by Fukuyo. In order to remove this reference as prior art against the instant application, Applicants respectfully submit a verified English language translation of the Japanese priority document from which the instant application claims foreign priority.

Since Fukuyo is not prior art relative to the instant application, all of the claims are believed to be allowable, and Applicants respectfully request that this application be passed to issue at the earliest possible time.
